2. Watch the u-tube links for task 2. As you watch them think about what these songs tell you about the type of music that New Zealanders like. Think about the topics of the songs, the style of music and the instruments used. Make notes on bubbl.us under the following headings. (To open a page for your concept map, click on the 'start brainstorming' button.

**Topic of songs - lyrics you like, why do you think New Zealanders like this song?**

**Style of music - describe the genre**

**Instrumentation - elements of the music you think are effective, appealing to an audience.**

Print off your bubbl.us map and attach it below

7. Fill out the studio booking request form below to book your time in the recording studio.

*Recording Studio Manager, you need to be ready to present exactly what you want to record. As a team complete the following checklist to ensure you are ready for recording and attach it to your booking request form.*

### *Recording Studio Checklist*

*Our song reflects something about the unique nature of 'kiwis' and has considered key New Zealand music and incorporated musical themes and/or ideas from this. Our choice of genre indicates this.*

☐

*The lyrics of our song have a clear structure with a verse and a chorus, we have followed a series of instructions to create our song.*

☐

*We know what types of instruments we are going to use and have an idea for the melody of our song.*

☐

*We have completed a simple score to remind us of our instrumentation and melody and this shows how we will use the elements of music to create effect.*
